

Dr. J. Donovan Ross, Minister of Health, cuts the ribbon to officially open the new wing at Youville Home Sunday, using the scissors presented to him by Mr. Jerry Diamond, of Diamond-Clarke and Associates, architects. Sister Tetrault, who was presented

## Service in Youville Chapel Marks Official Opening

by Hennie Stibbe  
"May it long serve the people of St. Albert with Love and Devotion," with these words the Honourable Dr. J. Donovan Ross, Minister of

Health, cut the ribbon which signified the official opening of the new \$1,145,000, Youville Nursing Home in St. Albert. Dr. Ross added that the life of the patients will be enriched by the Christian love and compassion given them by the Sisters.

The guests attending the ceremony were welcomed by Dr. W. M. Skrobot, M.D., Chairman of the Advisory Board. Presentations were made by Mr. J. Antolik, of McNamara Construction Ltd. and Mr. J. Diamond, of Diamond-Clarke & Associates, Deputy Mayor John de Bruijn brought greetings from the Town. Mr. Keith Everitt, M.L.A. for St. Albert spoke on behalf of the Province and Rev. Mother Y. Prevost, s.g.m., Provincial Superior, sent her best wishes by telegram, as she had been called out of the Province and was unable to attend.

The Home's Administrator, Rev. Sister G. Tetrault, s.g.m. said a few words of appreciation. Rev. Sister Tetrault noted that 104 years ago the Grey Nuns arrived in St. Albert. The first convent was a borrowed log cabin, which had been sanctified by the presence of a great Hero of Alberta, Father Lacombe. Here, three sisters and seven orphans began a story of Divine Providence still unfolding after more than one hundred years.

A Thanksgiving Service, at Hercules Sports Association, BOYS: - it's time to kick that ball about again and time to register for soccer. This you can do by phoning Mr. L. T. Hopkins at 599-7887 and Mr. Hopkins would like to hear from you not later than Friday, April 14th. There are two age groups: one for boys from 10 - 12 years and the second for boys between 12 and 14 years. If your twelfth birthday falls after May 1st, you will be eligible for the first group; if you will be already 12 before that date you will play with the second group. Perhaps, if you played last year, you have already been contacted; if not, Mr. Hopkins is waiting to hear from you.

Mrs. Claire (Larry) Kennedy is the newly appointed Secretary of the St. Albert Centennial Committee. Mrs. Kennedy took over as of April 8th, replacing Mrs. McGuire who is moving to Calgary. The Centennial Committee telephone number remains the same, 599-6776 and the new secretary resides at 14 Grosvenor Boulevard.

The many residents of St. Albert who are interested in the subject of kindergartens and education at the preschool level will be able to hear a highly-qualified speaker on the subject next week, Miss Shellagh Gracey, Guest Lecturer at the University, who instructs a course in "Curriculum and Instruction at Kindergarten" will be in St. Albert at the Leo Nickerson School on April 19th. She will speak to a public meeting to which all St. Albert citizens are invited. (See advertisement this issue)

The St. Albert High School Choir, under the direction of Father Duchesneau, will take part in a choral rally to be held at the Jubilee Auditorium next Sunday at 8:00 p.m. So, music lovers, if you want to spend an enjoyable evening, be sure to mark this date on your calendar (April 16th).

It is very unfortunate that the last session of the Leadership Seminar which was to be held here in St. Albert on April 19th has had to be cancelled.

which the Rev. C. B. Dawkins, St. Matthew's Anglican Pastor and Rev. M. Lafrance, O.M.I. Catholic Church Pastor officiated was held in the serene and reverent atmosphere of the Home's beautifully paneled Chapel. The Sisters of the Home and St. Joseph's Seminary also participated in the Service.

Gilberte Tetrault addresses the guests while Dr. Ross and town councillor John de Bruijn look on at right. Photo's by John's Photo Craft.

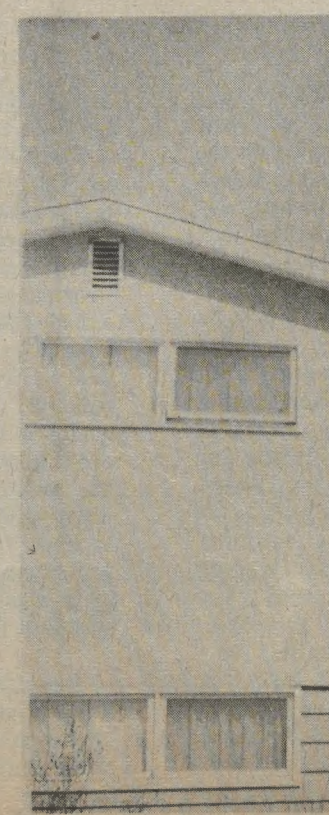

The guests were given an opportunity to tour the building. Beautifully furnished patient's lounges and spacious, light rooms are the key notes of this modern building, designed with comfort and efficiency in mind.

Following the Ceremony a Tea was served by the Ladies Auxiliary in the Home's Assembly Hall.

Starting about 8:30 Thursday evening, two St. Albert 14-year-old boys had a gay time breaking into twenty-one local buildings dodging the police and picking up a little loot. But the fun was all over early Monday morning when they were picked up by the R.C.M.P. in the Community Hall where they were sleeping in the furnace room. Neither boy had been home in the interval but they had a trip into Edmonton and spent one night holed up in a granary near town.

The boys will face some 21 charges for breaking and entering and theft and both of them have had previous convictions in Juvenile court. One of them had been a ward of the government, returning home last summer, included in a string of confessions was

Mr. Jim Drysdale congratulates Penny Cooke, winner of the first Centennial Flag award presented for the Centennial Quiz, a feature of his project to present a view of St. Albert as it was 100 years ago. The new flag blows in the wind above Penny's home at 53 Gillian Crescent.

WEDNESDAY, APRIL 12, 1967.

## Problems and complaints keep council late

### EYESORE OR BEAUTY SPOT

Mr. J. Wiltshire, a resident of St. Albert for 5 years, appeared before Council at its regular meeting Monday evening with an interesting proposal for the slough on Grandin Road. Mr. Wiltshire suggested that the slough, its main claim to fame so far has been as the Town's No. 1 breeding place for mosquitoes, could become a "real asset". Mr. Wiltshire said if the slough was drained, cleaned out and lined with polythene, it could be stocked with fish while the pond would never be suitable for swimming it could be developed for boating and fishing, and the immediate surrounding area could become a family picnic and barbecue park. The slough, which is not at present owned by the Town, measured approximately 6 acres. The matter was referred to Mr. A. Gate, Parks and Recreation Supervisor, for further study and a report. Mayor Fowler commended Mr. Wiltshire for his interest and added it was an "exciting idea".

### "TALES OF WOE" DEPT:

The Court of Revision, which has already heard a great many appeals and still has some 20 days of sittings to go before all appeals are completed, has been flooded with complaints. Councillor Bakker has compiled a list of some of the "beefs" and Council spent some 45 minutes discussing such things as: A "privy" in full view of one resident's living room window, dust and mud on Grosvenor Blvd., quack grass (Town-owned) on Gil-

lian Crescent, litter in the walk-throughs, too much or too little snow removal and Journals being dropped off for delivery on Town property. As far as the equalized assessment goes, the Town WILL APPEAL, and a Committee which is to prepare the appeal to be appointed within 10 days.

### POOL PROBLEMS:

Council spent a great deal of time discussing the Pool Schedule as prepared by the Parks and Recreation Dept. Councillor Bakker strongly opposed the schedule. "This will cut our season ticket sales in half", Mr. Bakker said. "It will scare the people away." He felt that not enough time had been allotted for instructional purposes and also he felt the pool should be opened at an earlier hour on Sundays. Mr. Bakker's motion that the Pool be opened at 10:30 on Sundays instead of the proposed 1:30 was carried. It was also decided that NO floating devices except those used in instruction would be allowed in the Pool. The finalized schedule will be publicized at a later date.

### CARRY ON, CONTABLE!

Mr. S. Billings reported that the Town Hall was one of 21 buildings broken into, over the weekend. Nothing was stolen during the break-in which took place Friday night. Councillor Donais asked "Where were our red-coated friends while all this was going on?" But, as is usually the case, the Mounties got their man, and two suspects are now in custody. There seems to still be some difficulty in communication, as

some phone calls to the local R.C.M.P. office still go unanswered. Residents are reminded to contact the Edmonton Division in that case. R.C.M.P. will be asked to look into the "wanton destruction" of some 79 boulevard trees along Churchill Avenue. Councillor Wheatley asked, that this matter also be brought to the attention of the School Boards, and that the administration ask for their co-operation in this regard.

### COUNCIL BRIEFS:

A letter was received from the Leo Nickerson Home and School Association, regarding the dangerous crossing at the Highway and Ball Avenue. The group feels that with the opening of the swimming pool this danger will increase. Staff was asked to find out the cost of a "walk-over".

A letter was received from the Architects of the Centennial Library. The firm of O'Connor and Maltby reports that the job has progressed smoothly, without problems. Completion is scheduled for the latter half of April. At this stage it would appear that the final contract sum will be about \$1700 LESS than the signed contract figure. Councillor Gibbon reported that the official opening of the Library will take place on June 24. Lieutenant Governor Dr. J. W. Grant MacEwan has accepted the Town's invitation to attend the opening ceremony.

The Council meeting, which was attended by all Councillors, except Mr. de Bruijn who is away taking a Business Course, adjourned at 11:40 p.m.

## Series of break-ins ends in capture

a series of previous break-ins earlier in the winter when St. Albert Upholsterers, St. Albert Billiards, Dr. E. H. Thomas and Mission Park School were the targets. Police questioned one of the boys now in custody at that time but had insufficient evidence to hold him.

Over this last binge they broke into, or attempted break-ins at St. Albert High where they had some chocolate milk, Father Jan School messed it up a bit, the Church on the Hill and Youville Chapel no damage, the curling rink, community hall and Town Hall where they snooped around a bit, the Legion Hall which netted them a pair of binoculars, now in the hands of the mounties. The binoculars they used to watch the police from the roof of the Town hall

(so they informed the police).

Business firms receiving the treatment were Goddkey's and Grandin Beauty Parlor, where they damaged locks but did not get in, Emery's Pipe Shop where they got the most loot including three radios, numerous toys, cigarettes, lighters, candy and such, all of which is now recovered. On Piron Street they got into John's Photo Craft new premises, the Barber Shop which netted them some loose change, the Gazette (where they had some potato chips and left some tools), Dave's Meat the Bakery and St. Albert Garage. They forced the door of the garage and then locked it from the inside while they enjoyed a lengthy rest sitting in a Cadillac and drinking a couple of beers. (For part of this time they watched the mountie's car which was parked right outside).

Other break-ins were effected at Auction City, Jasper Auto Parts, where they stole some liquor and the new John Deere agency. The Community Hall was honoured with two

break-ins over the three nights operations which brings the count to 21.

No damage of any account was done and everything stolen has been recovered except a small amount of cash which financed a little jaunt to Edmonton. Some of the stolen goods they had in their pockets when they were picked up and they later led the police to where they had hidden the balance.

## Drama workshop here sunday

Mr. Frank Glenfield of the Theatre Association will be in St. Albert on Sunday to conduct a Drama Workshop. The St. Albert on Sturgeon Players extend a cordial invitation to all people in St. Albert who would like to attend and hear Mr. Glenfield to join them in the Community Hall at 2:00 p.m. April 16th.

## Nickerson Tender Accepted

The Chairman, Mr. Ron Harvey, has announced that the Tenders for the Leo Nickerson Elementary School addition were received by the Board of Trustees of St. Albert Protestant Separate School District No. 6 on Wednesday, April 5, 1967, and that the low tender submitted by Newbert Construction and Engineering Company of Edmonton has been accepted. Construction of the addition will begin following Department of Education approval of the tender documents and the contract. Construction is expected to be completed by September 1, 1967.

## Recreation news

### SENIOR CITIZENS

The visit to the Planetarium planned by the St. Albert Parks and Recreation Dept. for our Senior Citizens will take place in the afternoon of Friday, April 14th. All our older people are invited and anyone wishing to go or requiring further information is asked to contact the Parks and Recreation Department as soon as possible. Phone 599-6601, Ext. 36.

### TEENS

The Teens have really been busy this week. The organizational meeting on April 6th went off very well and what looks like a very efficient interim executive was elected. This group will serve until June 30th when a full time executive will be formed. The next general meeting will be held on April 26th at 7:00 p.m. in the Clubhouse when the plans made by the Executive will be presented to the general membership.

The teen group is looking for a name. If you have a good suggestion please send it to Mr. Marty Lefebvre, President, 14 Grandville Avenue, St. Albert. Be sure to enclose your name and address as there is a very worthwhile prize to be awarded. All entries must be in by the end of April.

### PEDAL PUSHERS:

As soon as there's a hint of Spring in the air, bicycles which have been stored all winter in garages and basements appear on the roads and sometimes even illegally sidewalks! Parents do not need to be reminded of the importance of all children taking to the roads for the first time knowing their bicycles, how to ride them and how to take care of them as well as having a good working knowledge of our road safety rules.

In St. Albert we have, in fact, a very good safety record for young cyclists but no one can deny - to quote the Alberta Safety Council - "po-

tential death for untrained children lurks on every corner along the street". So that our children can learn to ride their bicycles properly and that we may maintain our record, the Parks and Recreation Department with the help of the Alberta Safety Council, hopes to organize a Pedal Pusher Club within the next few weeks. Children in Grades 1 - 6 are being told about this club in their schools and those who have expressed interest will shortly be given registration forms to take home for completion. We have already received

## Around Town

It's time again for girls around town who are sixteen or over to get in on the contest for St. Albert's Rodeo Queen. The Kinsmen are already hard at work on many of the jobs connected with this big annual event which is only two months away. The girls have until April 22 to get their Queen applications in to Mrs. L. DeChamplain.

Mrs. Claire (Larry) Kennedy is the newly appointed Secretary of the St. Albert Centennial Committee. Mrs. Kennedy took over as of April 8th, replacing Mrs. McGuire who is moving to Calgary. The Centennial Committee telephone number remains the same, 599-6776 and the new secretary resides at 14 Grosvenor Boulevard.

The many residents of St. Albert who are interested in the subject of kindergartens and education at the preschool level will be able to hear a highly-qualified speaker on the subject next week, Miss Shellagh Gracey, Guest Lecturer at the University, who instructs a course in "Curriculum and Instruction at Kindergarten" will be in St. Albert at the Leo Nickerson School on April 19th. She will speak to a public meeting to which all St. Albert citizens are invited. (See advertisement this issue)

The St. Albert High School Choir, under the direction of Father Duchesneau, will take part in a choral rally to be held at the Jubilee Auditorium next Sunday at 8:00 p.m. So, music lovers, if you want to spend an enjoyable evening, be sure to mark this date on your calendar (April 16th).

## Directory ready

The St. Albert Directory, published by courtesy of the businessmen of St. Albert and The Gazette, is now being distributed.

If you are a Gazette subscriber, you should receive your copy with this issue of The Gazette. Delivery to non-subscribers will be made as quickly as possible.

Anyone not receiving a copy by the end of this week may pick one up at the Gazette office.

# Grey Nuns Congratulated

We congratulate the Grey Nuns of St. Albert upon the official opening of their new home. As long ago as 1863 when three of the sisters first came to St. Albert they operated an orphanage and school. Inspired by that love of Christ which is the Order's own motto they have been moved down to this day, unselfishly, to serve by providing a home and care for those in need. Added to their care for the sick which began in 1870, has been the care of the aged which required the building of the old home which for so long was a notable landmark of St. Albert. Now it is gone, replaced by the fine modern home which now graces the northern bank of the Sturgeon Valley.

Already more than one-hundred and sixty citizens now call these new surroundings home. Thanks to governmental policies which encourage the erection of nursing home

facilities and the generosity of the Sisters, who have shouldered the burden and undertaken the heavy risks and responsibilities entailed in such a large project, this home has now been opened to serve the continuing needs of the Edmonton district for many years to come. Serving all without regard to race or creed, it's yearly payroll of more than \$250,000 also contributes substantially to the prosperity of the St. Albert area, and its facilities provide spiritual and physical care second to none.

The architect, the builders, the Sisters and all those who planned and laboured deserve to be congratulated upon a fine achievement. Indeed it is an achievement well worthy of the historic contribution which the Order of the Grey Nuns has made in the West and of the charitable purposes for which the order exists.

## Annual Meeting reports for St. Albert School District 3

The St. Albert School District No. 3 recently held one of the shortest Annual Ratepayers meetings on record. The meeting, held Thursday evening of last week in the Father Jan Auditorium, saw only the Board members, the Auditor and The Gazette reporter in attendance. The meeting, called to order by Trustee Dr. W. Mirlin, was immediately adjourned. Dr. Mirlin said the situation was an indication of either a surprising lack of interest or an expression of full confidence in the Board.

A digest of the major items as prepared for the Chairman and the Superintendent for reporting to this meeting appears below:

Reporting on the new St. Albert High building completed last year, Chairman David Fraser noted that the final cost figure totalled only \$16,50 per square foot for cost of construction and professional fees. (This figure is among the lowest for any school built in 1966, and well below the \$26 - \$29 per sq. ft. bids coming in during early 1967 through the Province).

Planning and negotiating with Department officials too many hours over the two years previous to starting construction in April 1966, reports Mr. Fraser. "The school is designed for economical expansion to accommodate six to seven hundred students. We anticipate that future additions can be built within foundation program grants, however, grants may not be sufficient to cover all landscaping and equipment costs," states Chairman Fraser.

"The District has an adequate number of classrooms for the increase in enrollment next term. Long range plans indicate that an addition to Albert Lacombe of the High School will be necessary possibly by Sept. 1968 and certainly by the fall of 1969."

The report states that "Although the tax rate in the Town increased from 56.5 to 62 mills between 1965 and 1966 the levy by the School Districts was reduced by 4.38 mills. Last year we required \$26,269.00 from the supplementary requisition, whereas in 1965 the figure was \$46,165. Unfortunately this trend will certainly be reversed in 1967.

## Canadians have muddled their heritage

Lister Sinclair, CBC radio and T.V. performer, gave this new definition of our national heritage recently. "As Canadians we inherited French

taste, British government and American technology but have messed up the opportunity so badly that we now have American taste, French government and British technology."

## From the Legislature

by Keith Everitt, M.L.A.

It would now appear that the present session will soon be concluded. Many pieces of fine legislation have been given approval by the Committee of the Whole Assembly. I am pleased to report that the Government has granted (five thousand dollars) to a Committee to prepare a feasibility study of an interdenominational University. Honorable Mr. Maccagnio moved a motion requesting that commercial fishermen be allowed an "F" license the same as farmers use today on their trucks. This motion was defeated.

The Honourable Gordon Taylor has agreed to pave the access road from Highway #2 to the Village of Legal. This work will be undertaken this year. There is a couple of amendments to the Home-

owners Tax Discount Act which I would like to mention. Where any real property of a deceased or mentally incompetent person is being administered by his estate, and where a building or part thereof, forming part of that real property, is occupied by a spouse or dependent of the deceased or mentally incompetent person in such a manner as would constitute it an eligible residence if it were owned by the spouse or dependent, then for the purpose of this Act it will now be recognized.

A private company is also recognized now if shareholders, are members of the same family.

I now have some figures for the School Foundation Program Fund for the St. Albert Constituency:

	1966 Actual	Estimated 1967	No. Teachers	No. Students
Sturgeon	\$1,146,576.	\$1,101,797.	93.61	1883
St. Albert Public	558,600.	766,348.	62.	1402
St. Albert Separate	840,559.	1,038,320.	103	1843
Thibault	180,724.	217,358.	22.70	441
Legal	69,956.	175,988.	23	406
Westlock	1,352,114.	1,478,760.	132.5	2747

You will note that every school district, with the exception of Sturgeon, will receive considerably more than in 1966. The reason for the reduction in funds to Sturgeon is because of a drop in enrolment.

Yesterday we had very interesting and educational public hearings on Bill No. 50 respecting Municipal Government. I would like to take this opportunity to congratulate Mayor Fowler on his fine presentation. Many Members of the Legislature have asked me to congratulate Dick, particularly as he was being questioned by the honourable members of the Opposition. They endeavoured to make Mayor Fowler comment that a municipal tribunal was neither a necessary or a desirable feature.

This Bill will be held over until next year. If the election is this year, and if I am re-elected I will do everything in my power to see that everyone is well acquainted with this piece of legislation before I commit myself to give full support. It is gratifying to see so many of my constituents in the Legislature over the last few weeks. This

year I have had to miss a number of meetings in the area, which I have been invited to. Although I would have enjoyed attending these functions my first duty, of course, is here in the Legislature.

TO ANSWER A QUESTION  
I AM FREQUENTLY ASKED, "YES, THERE WILL BE A PLEBESCITE ON DAYLIGHT SAVING TIME AT THE TIME OF THE ELECTION." IF CARRIED IT MAY BE IMPLEMENTED IMMEDIATELY.

CANADIAN SNOWMOBILES  
TAKING OVER U.S. MARKET  
A new Canada-U.S. agreement of free trade in snowmobiles will give Canadian manufacturers free access to a fast growing North American market, reports Maurice Cutler, Maclean-Hunter business press news editor in Ottawa. Canada is one of the world's leading producers of snowmobiles, having pioneered in their development and gained a technological lead. About a dozen Canadian manufacturers now produce snowmobiles for both industrial and recreational use. A large proportion of Canadian output is exported, mainly to the United States.

## Russell replies to Patrick

by Robert Russell

This constituency is certainly receiving a lot of attention from various cabinet ministers. Mr. Patrick seems unusually upset by my criticisms over his refusal to debate the Farmers Union Brief on Right of Entry. I would first like to point out to the Minister that the St. Albert MLA does not sit behind him, but at his far right in the seats facing the Speaker. However, I'm not surprised that he doesn't know where the

St. Albert MLA sits because he doesn't pay much attention to him anyway. The results of the next election will change that situation.

The Minister's refusal to even give an opinion on any of the recommendations that the Farmers Union presented is the real issue here. I notice that the Sacred MLA for this district did apologize for not attending the FUA study forum at Legal. Since the Sacreds have a rather substantial number on their side of the Legislature, surely our MLA wouldn't be missed for one day. He says that he'll be commenting on this brief a little

later on. I suggest that the Legislature is the place to make comments and that is where the whole issue should have been discussed.

Furthermore, the recorded transcript of that days session makes it abundantly clear that the Sacred Minister of Mines tried to mislead the Legislature into believing that the Brief had not been presented at all, and it was only after careful questioning by Mike Maccagnio that Patrick finally admitted that he had even received it.

Anyone who wishes to read the transcript may do so by phoning me at 599-8274.

## OUR READERS — have their say

REPUBLICANS AND DEMOCRATS?

I find it very naive and quaint of the Sacred candidate to suggest that the High School Teachers invite him to the schools in the district to discuss politics in a non-political manner.

I wonder if the Sacred candidate is aware that there is a Provincial election in the offing or is it that his leader has forgotten to tell him.

However he is wise to pick Republicans and Democrats in his forums since there is little

danger of his being challenged from that direction.

Surely the High School students are too mature to be influenced by such an amateurish political manoeuvre. If these political forums are to be of any value, then the schools should invite the Liberal candidate Robert Russell to participate since he is the only reasonable alternative and most likely to be our new M.L.A.

Yours truly,  
K. J. Crooks,  
Gainsborough Ave.

RELIGION IN SCHOOLS?

I was very much interested in the recent editorial in the Gazette dealing with the pressures that have been exerted to remove religion from the schools, in which it was stated that "Religion gives shape and meaning to society. . . ."

All good education provides understanding and knowledge so that when children become mature, they can more comfortably survive in an industrial society.

Why then must religious education be withheld from government schools? It is impossible for educators to blend the controversial outdated superstitious religious teaching, with that of modern scientific thought found in schools. Schools support evidence that it took millions of years for the earth and life to be created, but the old religion says it took six days. Schools do not sanction a belief that people go bodily into space, but religions teach of this as a common event that occurred in the ancient superstitious age. Schools do not look up for Jesus to return bodily unto earth after two thousand years in space, but the religions do profess this.

How then can the school and religious opposing forces compromise? The extreme scientific view must include a great creator as God; also admit that the commandment

stressed by Jesus is here to guide the world. (Love one another). On the other hand the church must evade teaching, that this earth is only a tenting ground as a prelude for Heaven or Hell. The church can relate to man, that punishment for sin is given right here on earth, and not far away after death. The far-away illusionary dreaming must cease for a good adult livable world.

A simple, vital, ecumenical interpretation of the Christian faith for schools or churches can be found in a few words. Heaven is in our home and our work. Our soul or life lives on in our children. God shows Himself as the good in man and woman, and of course so does Satan, only then as evil.

With these thoughts mankind would know how to contend with evil, instead of unloading the responsibility onto God. If Heaven was spoken of as here on earth, there would be no reason to have so many hundreds of differing branches and teachings of the church. They cannot all be right but maybe a little wrong. Religion as science in school, or anywhere must walk together for greater social improvements.

L. Larsen,  
12807 - 121 Avenue,  
Edmonton.

## Historic St. Albert

No historical record of the development of the Community of St. Albert could be presented without a chapter on the Youville Home and our column this week is devoted to the efforts of the Grey Nuns Sisters through whose compassion and labours this institution, a landmark of St. Albert, has been established.

The official opening of the Home's new wing Sunday provides a fitting occasion to look back to its beginnings. The story really begins more than a hundred years ago, with the arrival of the first Sisters in this community. For beginning with three Sisters who brought with them seven orphans the work of the Order has been an unbroken record of loving care for all persons, old and young who had need. In 1864 they moved to the first Convent which served as school, orphanage and hospital. This first Convent they gave the name "Youville" in honour of Marguerite d'Youville, who founded the "The Sisters of Charity of Montreal", whose members have be-

come affectionately known throughout the West as the Grey Nuns.

Their first Convent was a borrowed log cabin which had been sanctified by the presence of a great hero of Alberta, Father Lacombe. Here three sisters and seven orphans began a story of Divine Providence still unfolding one hundred and four years later.

In 1883 a new convent is built and in 1908 a new wing was added to this building. Through every decade their numbers increased as they served an every growing number of children, orphans and boarders. In thirty years their family and grown from 3 Sisters and 7 orphans to 14 Sisters and 98 children and through those years they did all their washing in the river. A laundry was built in 1890.

They instructed girls in spinning and weaving and classes in music, art and kindergarten were added around the turn of the century.

Convent school and personnel in 1884.

Photo courtesy of Father Tardiff, O.M.I.

By the time the Home for the Aged was opened in Youville Convent in 1949 there were 48 Sisters and 181 aged people under their care. Construction on the new home, to be located at the existing building, was begun November 1st, 1964. Demolition of the stucco and brick structures began the following January and one year later, in January 1966 the Sisters and 160 patients transferred to the new building.

At that time quarters for the Sisters were not ready and they slept in offices, storage rooms - wherever they could find a little space. By the end of last year Administration area, Chapel and Residence were completed and the First Mass was said in the Chapel on Dec. 23rd

by His Excellency Bishop A. Jordan. Sunday's official opening of the new wing finds twelve Sisters in charge of various departments of the Home with a staff of 85 and patient population of 162. The records of the first year show 76 admissions, 9,768 treatments administered, about 7,500 dressings and 3, 500 injections. A Ladies Auxiliary sponsors a variety of recreational and entertainment activities for the patients. The United Church Women also arrange regular parties and visits and the Town's Recreation Department sponsors Craft Classes and joint social functions with senior citizens. The work of these groups is greatly appreciated by all the staff and patients at the Home.

Winners of the Drama Awards in Legal, from left: Rogelle and Delores Auger, top Vocal award; Emily Prefontaine, Showmanship; Vivian Montpetit, Best Actress and Henri Charols, Best Actor.

## Reverse "Brain Drain" aim of Department

The federal government is attempting to stem the annual "brain drain" in a

program aimed at Canadians studying in other countries, reports Maurice Cutler, Maclean-Hunter business press news editor in Ottawa. The Department of Manpower and Immigration has become a centre of "anti-brain-drain" operations, sponsoring recruiting tours and supplying information to Canadian students abroad about job opportunities at home. It also gives Canadian employers information about prospective job recruits among Canadians studying in foreign universities. Every year, Manpower officials say, Canada loses a big portion of its university graduates to the United States and the United Kingdom. An

## Council meeting

PRESENT: Councillors G. Wilson, L. Rye, W. Flynn, S. Walker, L. Kluthe, W. Van de Walle; School representative J. McDonnell; Superintendent of Public Works, R. Stack and Secretary Treasurer A. J. Nobert. Councillor D. Bevington was absent.

Reeve Walker called the Council Meeting to order at 10:00 a.m. and it was moved that the Council adopt the minutes of the Council meeting held February 16, and 17, 1967 as received.

### BUSINESS

Sunnyside Farmers Hall Association - Pt N.W. 7-55-23-4 (50 acres).

The Public Works Committee reported that it had met with members of the Hall Association on March 7, 1967, in regard to moving the existing hall east to the east boundary of their property. The Committee requested that the Sunnyside Hall Board submit in writing a cost estimate to move this building and have said quotation presented to the Council on March 16, 1967.

The Secretary Treasurer informed the Council that he had not received any submission to date.

MOVED that Council amend By-law No. 132-65 as follows: Firstly: by adding to the list of Stop Signs locations the following: Area No. 3-N/S.E. 27-53-25-4, S/N.W. 23-53-25-4; Area No. 7-E.S.W. 16-58-23-4; Secondly, by adding to the list of Yield Right of Way Sign locations the following: Area No. 3-on the north and south road intersecting with the River Road between River Lots 38 and 39 St. Albert Settlement, Area No. 7-N/S.E. 14-56-23-4; S/N.W. 12-56-23-4, W/N.E. 8-58-23-4; Thirdly, by changing the existing listed locations in By-law No. 132-65 under Yield Signs in Area No. 7 as follows: S-N.E. 33-55-22-4 to read S-N.W. 34-55-22-4, E/S.W. 3-56-22-4 to read N/S.E. 4-56-22-4.

Undeveloped Service Road Allowance - N.E. 32-53-24-4. It was moved that Council has no objection that the above described service road be leased for farming purposes provided that it is leased to the adjacent land farm operator.

M.D. OF STURGEON FLOOD CONTROL - Twp. 56, Range 21 and 22, W4. Secretary Treasurer read a letter received from the Provincial Arda Director, G. Sterling, that the application will be dealt with at the April Arda Advisory Committee Meeting.

**FIRE PROTECTION COMMITTEE** - The Secretary Treasurer read to Council the agreement prepared by himself with the approval by Mr. L. Kluthe and the Municipal Solicitor. These were sent out to Towns and Villages for execution but to date, none had been returned.

### GENERAL & PUBLIC WORKS ACCOUNTS

The Members were provided with a list of accounts to be approved for payment. It was moved that the Council authorize the payment of accounts as submitted by the Secretary Treasurer with the exception of McLean Hunter Publications for the amount of \$12.00 in order to terminate said subscription. It was moved that the Public Works Committee investigate the electric plug in charges for patrol No. 6, as submitted by Chris Esso Service Legal, EDMONTON REGIONAL -

4-H Jamboree - Letter from Mrs. Dorothy A. Rigney, president of the Sturgeon 4 H Council, was read to Council requesting a Municipal contribution towards the cost of the 4 H Jamboree to be held April 22, 1967.

MOVED that Council authorize a grant of two hundred dollars to the Sturgeon 4 H Council to help defray the cost of the 4 H Jamboree. Said grant is to be included in the Municipal Grant By-law for 1967.

MOVED that the snowplowing invoice for \$21, charged to the Sturgeon School Division No. 24, be cancelled. It was also moved that this Municipality do not charge for grading or snowplowing public property grounds such as schools, churches and community properties within the limits of this Municipality.

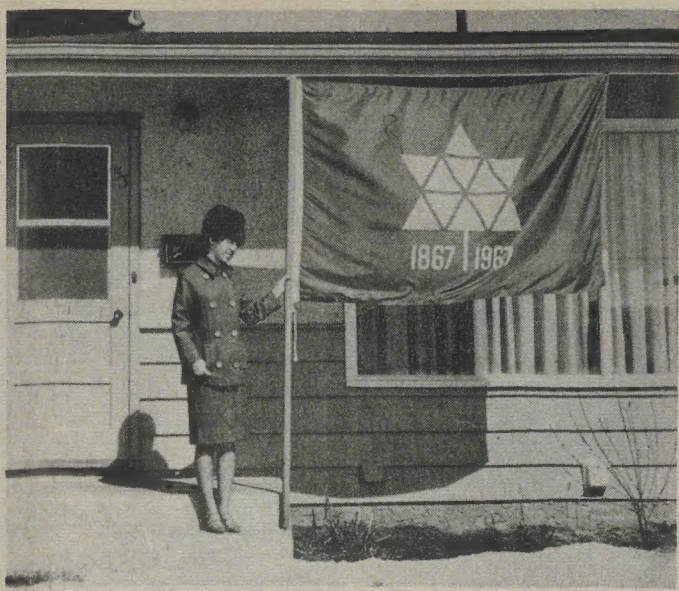

MOVED that the meeting adjourn for lunch at 11:45 a.m. and to reconvene at 1:00 p.m.

Reeve Walker reconvened the meeting at 1:30 p.m. with the same Members being present as the morning session.

At 1:30 p.m. the representatives from the various Heavy Equipment Companies were invited in the Council to attend the opening of the tenders received by the Secretary Treasurer. The following is a list of tenders received with details on price of new piece equipment and trade in allowance on the Municipal AC 16 Crawler tractor.

After the opening of the tenders each Company representative that had submitted a quotation, was given a fifteen minute private interview with Council in order to clarify and explain various items on their submissions if needed.

The following Company representatives interviewed were as follows: Mr. Harder of Costello Equipment Ltd., Messrs Norman Christiansen and Lew Nohrgang of Conoco Equipment Ltd., Mr. E. J. Giek from Ferguson Supply Ltd., Mr. Frank Grierson from R. Angus (Alberta) Ltd., and Mr. Norman Shultes of Richardson Road Machinery Ltd. The Council informed these representatives that Council's decision on the acceptance of two tenders, one on a motor grader and the other on a motor scraper, would be made at the reconvened meeting.

Penny Cooke of St. Albert whose answer to the Centennial Quiz question "When did the R.C.M.P. come to St. Albert?" won for her the handsome Centennial Flag she is holding. A graduate of St. Albert High Penny is employed in an Edmonton office. She takes an interest in Centennial activities and the history of our community. Flags for Centennial Quiz awards have been donated by Safeway. Gazette Photo.

### CENTENNIAL QUIZ

With the presentation this week of the first Centennial Flag award for a Centennial Quiz winner, we are repeating the Quiz questions as a reminder to other local and district residents to try their luck at winning one of these beautiful flags. The best answer received to any one of the following questions will win a Flag:

- \* How many people were living here in 1867?
- \* How would a letter be addressed to reach St. Albert?
- \* Where was Father Lacombe January 1st, 1867?
- \* Where there any white women at St. Albert in 1867?
- \* Were the Indians peaceful?
- \* Was Edmonton a bigger settlement than St. Albert?

ing to be held March 20, 1967 BY-LAW NO. 34-67

By-Law No. 34-67, being a By-Law of the Municipal District of Sturgeon No. 90, of Morinville, Alberta, for the purpose of cancelling arrears of taxes that appear on the assessment and tax roll.

WHEREAS, under the Authority and pursuant to the provisions of the Municipal District Act, Chapter 215, Section 375 of the Revised Statutes of Alberta 1955, with amendments up to and including 1966; WHEREAS, such arrears are no longer secured by a charge against land or other property; WHEREAS, these arrears are no longer collectible from the persons taxes;

It was MOVED that By-Law No. 34-67 be given 3 readings this 16 day of March, 1967.

**SUPERINTENDENT REPORT**

The Secretary Treasurer read to Council Mr. Stack's third monthly report of 1967. The report indicated that the Municipal equipment that had been repaired to date and the list of machines yet to be overhauled. He stated that the two 621 Motor Scrapers

had hauled 6840 yards of gravel from the Michel Investment gravel stock pile, thus travelling approximately 18 miles of road as of March 14, 1967. It was MOVED that the Superintendent of Public Works report be received by Council.

Continued on Page 6

## Lots of life in the "old boys"

"Where is the liniment Mother?" was the common question among many old timers who played hockey in the final game of the season at the Morinville Arena last week, in a 7-4 victory for Morinville vs. St. Albert.

It was a spirited game and the players gave their all. Arsene Riopel, 65 years young was a goalie for Morinville, assisted by Garnet Wiley. The K.C.'s of St. Albert had Dave Dahl in the net and he deserves a citation for bravery.

Among the hockey stars of yesterday and 20 years ago who sharpened their skates for the great game of 1967 were: Gustave Meunier, Cam

Dubord, Arthur Chalfoux, Roy Pilon, Ed Kryskow, Roger Blackburn, Hymie Klien, Maurice Belanger, and some younger ones, Adolphe Boissonnault, Leo Paul Boissonnault, Claude Riopel, Bernard Lavallee, Norman Meunier, Jim Leblanc, Jack Tyernam and Roger Cote. Lawrence McDonald was the coach for the Morinville team. The stars winning goals for Morinville were: Hymie Klien - 2; Leo Paul Boissonnault - 2, Bernard Lavallee - 2 and Adolphe Boissonnault - 1. The St. Albert stars names were not available. Congratulations to all.

The Centennial Frontier Daze Celebration was launched last Friday night in Morinville, with the Princess Ball. Shown above from left to right, Miss Jeannette Bauwens, Miss Shir-lene Hillman, (centre, Miss Carol Hittinger Queen of the 1966 Celebration) Miss Geraldine Morris, Miss Colleen McDonald and Miss Stella Killian, all contesting for the Honor of becoming the Centennial Frontier Daze Queen next June.

Photo by Jeet Khullar of Morinville.

## Morinville Memos

Congratulations to the Camilla Farm of Morinville, owned and operated by Mr. and Mrs. John Stevens and Mr. and Mrs. Jack Stevens who took first prize at the western show in Edmonton with their Nissen-Elleemere Herford Bull sold at the stock auction for \$1,300. The Pure Bred Hereford placed first in the three year old class and weighed 1,900 lbs. That is alot of bull, boys, but I guess your kind pays off.

Mr. Roger Vansevenandt is another farmer who is fast making a name for himself as the outstanding pig farmer of the district. He operates a breeding and selling pig complex that handles some 1,000 animals a year. All hog growers in the M.D. are invited to attend the meeting on April 20 in the M.D. office where Hog Production Problems will be discussed in full.

The winners at the recent Carnival sponsored by Morinville Youth Recreational Committee were Shuffleboard Mrs. Jeannette Krauskopf and Leon Kremer; Chess Game - Paul Houle, Ping Pong - Rick-ey Pugliese; Checkers - Eddie St. Laurent. A delightful cold plate supper was served by the group and a very good weekend was enjoyed by all patrons.

The Princess Ball was held on Friday evening with Miss Carol Hittinger, 1966 Frontier Daze Queen heading the Grand March introduced the five Princesses for the 1967 Centennial Frontier Daze celebration next June. Mr. John Saunders was M.C. and all members of the committee were present along with a very modest crowd to launch the Princesses on their tour of competition. Miss Geraldine Morris, Miss Golden McDonald, Miss Shir-lene Hillman, Miss Jeannette Bauwens, and Miss Stella Killian and their campaign managers are now selling Silver dollars to be raffled next June.

A great number of students from the district took part in the 450 voice choir who performed in Edmonton last Sunday evening and recorded by the C.B.C. It was along tiring day for all taking part. Many parents and teachers were in attendance to support their children.

Miss Leonie Devolder and Mr. Alphonse Kremer were entertained recently at a house party at the home of Mr. and Mrs. F. Bootsman.

Miss Leonie Devolder was the guest of honor last Sunday when a large group of ladies gathered in the Riviere Qui Barre Community Hall and showered her with a large assortment of miscellaneous gifts.

Mr. and Mrs. Charles Kieser returned from a holiday trip to Evermere, B.C. where they enjoyed Easter with their daughter and family.

## Joanne Rousseau becomes bride of Adelard Meunier

In a early spring wedding, Miss Joanne Rousseau daughter of Mr. and Mrs. Roger Rousseau of Morinville, and Mr. Adelard Meunier, son of Mr. and Mrs. Felix Meunier of Edmonton, exchanged rings in a church wedding held in St. John the Baptist R.C. Church in a ceremony performed by Rev. G. H. Primeau, pastor on Saturday, April 8th.

Given in marriage by her father, the bride chose a white heavy silk gown in a "A" line cut. The bodice of white lace with scalloped neckline and long lily point sleeves were set in an Empire waist line trimmed with a large bow in the back. A cathedral train fell from the shoulders. Her chapel veil was held in place by a crown head piece pearl trimmed. She carried a cascade bouquet of red roses with lilies of the valley and bud trimmed satin streamers.

The three bridesmaids, Miss Louise Meunier, sister to the groom, Miss Lorraine Pelletier, cousin to the bride, and Miss Louise Craig, all wore identical floor length gowns in jade, pink and yellow silk with alter-boy sleeves and cape effect bodices which were lace trimmed. Their

formal coiffures were styled with crystalline crown combs. Each carried varied yellow and white roses with streamers in miniature bouquets. Petite Charline Rousseau, six years old, sister of the bride, was the flower girl. She was gowned in a lacy white frilly dress, with a miniature head piece setting in her long dark curls and carried a small bouquet of varied small flowers. The best man was Mr. Lucien Meunier, brother of the groom. Other groom attendants were Mr. Kenneth Pelletier and Mr. Leo Arbour. Mr. Charles Clement was organist during the wedding ceremony and Mr. Howard Kieser was soloist.

For her daughter's wedding Mrs. Rousseau chose a navy blue tailored dress with white trim and white accessories with red roses on corsage. Mrs. Meunier chose a beige dress with matching duster, with orange hat and matching accessories. Her corsage was yellow roses.

A reception for some 100 guests followed at the Morinville Centre. In the evening a banquet was held for the guests with Mr. Harvey Vranas as M.C. A wedding dance followed with some 500 present. Mr. and Mrs. Adelard Meunier will make their home in Edmonton.

ROBIN 27 foot Grain Auger, on rubber, with 7 to 9 h.p.  
Engine.  
Mills Cable Weeder, 14 foot.  
International Side Delivery Hay Rake.

## A rainbow for Canada

by Patricia Hamilton.  
Some weeks ago a menu  
from a long ago Southern  
Alberta hotel appeared in this  
column. Here is a menu from  
a river boat on the Peace  
River around the turn of this  
century.

"Monday - Dried Caribou  
and rice.  
Tuesday - Salt fish and  
prunes.  
Wednesday - Mess pork  
and dried peaches.  
Thursday - Salt horse and  
macaroni.  
Friday - Sow belly and  
bannock.  
Saturday and Sunday - Fish  
and beans."  
Riverboats gave a certain  
romance to the hard pioneer  
life of Northern Alberta. How-

ever, they became obsolete  
and are now used only further  
north where other modes of  
transportation have not  
reached. Dredges and barges  
are still at work on the Clear-  
water and Athabasca Rivers  
with their landing at Fort  
McMurray.

A reader called with an  
interesting note on the Peace  
River Country. In the Peace  
River Canyon there are real,  
one hundred million year old  
dinosaur tracks to be seen.  
Apparently what happened is  
that different coloured mud  
filled in the tracks of some  
unsuspecting dinosaur. Then  
there were centuries of heat,  
cold, upheaval and waiting.  
The mud turned to rock and  
has somehow been left ex-

Rolling rubber-tired Draw Bar for 10 sections of Diamond  
Harrows.

10 Sections of Diamond Harrows.  
4 secs. Flexible Harrows and Draw Bar for same.

ADOLPH STROSCHER, Clerk

THE GAZETTE, Wednesday, April 12, 1967 - 5

posed for us to see. It is  
interesting to think what won-  
ders may still be hidden from  
our view.

Also in the Peace Country  
is the story of Fort Dunvegan.  
It was abandoned in 1825. When  
it was reopened in 1828 it was  
found to be in good repair.  
However, when Fort Edmon-  
ton was abandoned in 1810  
it was burned immediately by  
joyful Indians. They hoped the  
Whiteman was gone for good.  
Skidoos are a recent inven-  
tion but a skidoo-like vehicle  
was used by a man passing  
through Edmonton on his way  
to the Yukon goldrush. Many  
Edmonton citizens helped the  
man construct his creation  
from barrel staves. It was  
steam powered. One bright,  
snowy morning he headed

north. A few miles out of  
Edmonton there was an ex-  
plosion and the first motor-  
ized sled blew into bits.

Calgary firemen are com-  
pleting an interesting Cen-  
tennial Project. They have  
erected a 7 foot model of  
a fireman dressed in an old  
fashioned firefighting uniform  
and holding a child in his  
arms. It is built on a plywood  
base and filled out three-  
dimensionally with a molding  
material. They hope in the  
future to have it bronzed,  
not because it is a work of  
art but because it was a  
very satisfying Centennial  
Project.

Our salute this week goes  
to the Hercules Sports Club  
for their many Centennial  
Sports events

34. Sharon, 4 yr. old, milking, bred Feb. 3, Lbs. Milk -  
8875, Avg.% 4.21, Pound B.F. 341, Days 271.  
10 Holstein Heifers from A.1. breeding, long yearlings.

estimated 12,000 Canadians  
are studying abroad and are  
actively being courted by U.S.  
and British employers. The  
department launched its "Op-  
eration Retrieval" at the end  
of 1966 by distributing to stu-  
dents abroad a publication  
describing career opportuni-  
ties in Canada. The students  
were offered the help of the  
department in bringing their  
qualifications to the attention  
of interested firms. Working  
in co-operation with the gov-  
ernment agencies, the Assoc-  
iation of Universities and  
Colleges of Canada has in the  
past sponsored a series of  
tours of British and U.S. uni-  
versities. Four teams visited  
the United States and Britain  
during February, providing  
information on job opportuni-  
ties in Canada.

MOVED that the meeting  
adjourn at 5:15 p.m. and to  
reconvene at 10:00 a.m., March  
20, 1967.

**MONTHLY FINANCIAL  
STATEMENT** - Month ending  
February 28, 1967. A copy of  
the statement was given to  
each Councillor and read at  
the meeting by the Secretary  
Treasurer. The following is  
a brief resume of the state-  
ment: Balance at the end of  
Previous Month - \$117,781.45  
Receipts for the month - \$219-  
234.53, TOTAL - \$337,015.98.  
Less Disbursement for the  
Month - \$62,548.00, Net Bal-  
ance at the end of the Month  
\$274,467.98.

MOVED that the Council  
adopt the monthly Financial  
Statement and expenditure  
control statement as sub-  
mitted by the Secretary Treasur-  
er.

FATHER W. P. FITZGERALD

## Father Fitzgerald honoured by Parish

On Sunday, April 2, Rev.  
Father Walter P. Fitzgerald  
was the guest of St. Emer-  
ence parish, Riviere Qui  
Barre, at a gathering mark-  
ing the 25th anniversary of  
his ordination to the Priest-  
hood.

At 4:00 p.m., Father Fitz-  
gerald offered Mass, with  
Fathers Angus McRae of Olds,  
Gerard Redmond C.S.S.R. of  
Hinton, and Bernard Gorman  
of Lloydminster as concele-  
brants. Father R. Bednar of  
Edmonton acted as Master  
of Ceremonies.

Father Alois Schoen, rector  
of St. Joseph's Seminary, gave  
the homily, stressing the need  
for vocations among the young  
men and women.

The choir from St. Joseph's  
Seminary under the direction  
of Mr. Olsen led the congrega-  
tional singing. Mr. Albert  
Roberts read the epistle, and  
Mr. J. D. Stevens was com-  
mentator.

Following the ceremony the  
large crowd in attendance  
gathered in the Camilla School  
auditorium, where the ladies  
of the parish served a smorg-  
asbord lunch.

Entertainment in the form  
of instrumentals and songs  
by the children of the parish  
made a pleasant interlude.

Mr. James Falls, as master  
of ceremonies, called upon  
Father W. A. Reynolds of  
Edmonton who spoke a few  
words of congratulations to

**PROFESSIONAL LAND-  
SCAPING - COMPLETE  
GARDENING SERVICES:**  
Well qualified gardener  
available for all types of  
gardening work - book now.  
PHONE: 484-3268 evgs only.

Father Fitzgerald, Father  
Redmond added his good  
wishes, followed by Father  
Rozmahel, who read a mess-  
age from Archbishop Jordan,  
expressing his regrets for his  
inability to be present.

Presentation of gifts was  
made by the Junior altar boys  
-- Masters David Falls, Peter  
Dhoedt, and Darrel Sheehan.

In a few well chosen words  
Father Fitzgerald expressed  
his sincere thanks to the many  
members of the clergy, and  
Sisters who attended, to the  
ladies for the lovely lunch,  
and the tasteful decorations  
of the auditorium, the beauti-  
ful flowers and the gifts. At  
the request of the master of  
ceremonies he entertained  
with a rendition of W. H.  
Drummond's "Le Cure de  
Calumette".

Father Fitzgerald was born  
in Frampton, Quebec. At the  
age of 5 months his family  
moved to the Riviere Qui  
Barre district. He received  
his elementary education at  
the former Belle Valley  
School, and his high school  
education at St. Mary's Sep-  
arate High School in Edmon-  
ton. After teaching for sev-  
eral years he entered St.  
Joseph's Seminary in 1936.  
He was ordained at St.  
Joseph's Cathedral by Arch-  
bishop MacDonald on March  
21, 1942. He offered his first  
Mass at Riviere Qui Barre  
the following day. That year  
he was assigned to parish  
duties at Elk Point, but was  
transferred to teaching du-  
ties at St. Joseph's High School  
in the City. He was later  
appointed to Guidance work  
in the Separate School system.  
For the past years he has

## Famed pianist coming

MORINVILLE: Marek Jablonski  
to play in Morinville.  
Marek Jablonski, rated one  
of the five best international  
concert pianists in the world  
today, will favor Morinville  
on April 8th with an evening  
program of popular classics  
in the Thibault school audi-  
torium at 8:00 p.m.

Born in Poland in 1939, he  
came to Edmonton with his  
parents at an early age. Rated  
a child prodigy Marek gradu-  
ated from the exclusive Jul-  
liard School of Music in New  
York, where he studied under  
the famous Madame Rosine  
Lhevinne. In 1962 he won the  
First Prize at the Internation-  
al Competition held in Canada  
by the Jeunesses Musicals.  
From that time, his life as  
a busy concert artist began  
with concerts, radio and T.V.  
appearances in America and  
Europe. He has proven to be  
an outstanding popular concert  
artist.

Jablonski has been favored  
with the personal endorse-  
ment of the great Arthur Rub-  
instein. He has played with  
orchestras all over America  
and Europe and made his world  
orchestral debut with famous  
conductor, India's Zubin  
Mehta.

One of his great gifts is the  
direct emotional contact he  
establishes with his listeners  
and they have responded with  
standing ovations on many  
occasions.

For his Morinville Concert  
he has chosen eight popular  
classics which will be played  
in the first part of his evening  
programme. After intermission  
he will resume with more  
selections to suit the mood  
of his audience.

This world wide outstanding  
pianist is being sponsored by  
the Alberta Centennial Com-  
mittee and Morinville is in-  
deed privileged to have the  
opportunity to welcome him.

also been the Director of  
Religious Instruction in the  
Separate Schools. He is a past  
president of the Canadian  
Mental Health Association for  
Northern Alberta. The past  
year -- 1965 - 1966 -- was  
spent at Lumen Vitae College  
in Brussels, furthering his  
studies.

His great interest is help-  
ing the young people. One of  
his many projects to assist  
pupils having academic dif-  
ficulties was the inauguration  
of the first Pre-employment  
classes for Grade 8 and 9  
pupils. These have proved  
so advantageous, that many  
more of them have been ad-  
ded to the city school system.

Regardless if your favorite  
composer is Bach, Mozart,  
Beethoven, Chopin, or Liszt  
down to the most popular and  
modern, Marek Jablonski will  
give you an evening to remem-  
ber. It is hoped that the citi-  
zens will respond accordingly

## Coronado UCW

Nine members of Unit two  
of the Coronado U.C.W. were  
present for the April 5th  
meeting at the home of Edith  
Visscher. Plans were made  
for the Mother's Day Tea  
on May 13th and in this con-  
nection a work meeting was  
scheduled for April 11th. A  
joint meeting of Units one and  
two will be held April 26th  
in the church hall to complete  
arrangements for the Tea.

### WILDLIFE FILMS:

A series of Wildlife films  
will be presented Monday  
evening, April 17th at Fort Sask-  
atchewan Community Hall.  
The Chief Instructor of the  
Hunter Training Program will  
speak to the audience and  
comment on the films.

and that all students attending  
will remember that absolute  
silence and quiet is required  
at a musical concert.

## Mission Hill News

We are pleased to announce  
that one of our Knights of  
the Altar, Wayne Chamney,  
has attained Honorable Men-  
tion in the annual Knight of  
the Year Competition. Wayne  
as a very devoted and con-  
scientious server, is well de-  
serving of the award and an  
outstanding example to all his  
fellow-Knights. Our congratu-  
lations to you, Wayne, and to  
your family and friends who  
have encouraged you in his  
great privilege of serving at  
the altar of God.

The 4th Degree of the  
Knights of Columbus was con-  
ferred on Jos, Savoie and his  
two sons, Armand and Marcel  
of Calgary, while Ed, another  
son, was on the initiation team.  
Our congratulations to the  
Savoie family for this unique  
honour and experience.

Retreats coming up at the  
STAR OF THE NORTH re-  
treat house for the ladies are  
from April 18 to 20th and for  
single men from April 14th  
to 16th. Reservations should  
be made at least a week in  
advance by phoning 599-6136  
or 599-7196.

## United

It was Confirmation Day on  
Sunday, April 9th at the St.  
Albert United Church. Five  
young people, Misses Elaine  
Cuts, Dianne Downs, Daphne  
Hill and Joy Petherbridge, and  
Mr. Bill Hart, were confirmed  
and accepted into the mem-  
bership of the Church by Rev.  
L. J. Musto. In addition to  
these five, twenty-nine adults  
became members of the con-  
gregation by "letter of trans-  
fer" from other congregations.  
Confirmation took place at  
eleven o'clock and adults were  
received into membership at  
both the nine-thirty and the  
eleven o'clock services. Follow-  
ing the minister's address,  
"The Cup and the Cross" the  
Sacrament of the Lord's Supper  
was observed at both ser-  
vices.

## Vital Derrien in Europe

In April 1917, 50 years ago  
the Canadian Corps broke the  
stalemate, four divisions  
smashed through the German  
lines and captured Vimy Ridge.  
In remembrance of this occa-  
sion of World War I, a band  
of Canadian Soldiers were  
sent to Vimy. Among them was  
one of our own Legal soldiers  
Vital Derrien son of a W.W.I.  
veteran, Mr. Jos Derrien.  
Vital will return to France  
on May 1st where he will visit  
his father's native town of  
Gourin and will have the op-  
portunity of making acquaint-  
ances with his relatives.

While he is in Europe he will  
also take advantage of touring  
the historic Notre Dame de  
Lourde and Rouen.

# Legal LOCALS

Legal made "history" last Sunday when some 50 persons attended a "Twilight Retreat" in St. Albert. It was the first time that the Star of the North had such a retreat for married couples. Everyone present will benefit from the informative talks given by Father Morin and Father Bideau. This retreat was organized by the Ladies of St. Anne who

hope to make it an annual event.

The Ladies of Ste Anne will hold a short meeting on April 17th at 8:00 p.m. At 8:30 p.m. they will have Mr. Bernard Lavallee and Edmonton lawyer speak on wills, testaments and dowries. A special invitation is extended to the St. Emile's C.W.L. ladies and to any others that are interested.

St. Emile's C.W.L. sponsors of the Babysitting Course are pleased to announce some 50 students have registered. They have chosen this as one of their Centennial Projects.

Mr. and Mrs. Jos Nault attended a 3 day convention held at the MacDonald Hotel for the Esso Bulk Agents. We were pleased to see among all those present that our own Bulk Agent and his wife made the Edmonton Journal.

Mr. and Mrs. Gerard Caouette are receiving congratulations on the birth of their son Robert, born on March 28th at the Royal Alexander Hospital, weighing 6 lbs. Godparents are Mr. and Mrs. Alphonse Caouette of Cold Lake.

Mrs. Art L'Heureux Sr. is back home recovering from major surgery in her leg.

## Legal drama night staged by students

The Legal High School Auditorium was the scene of a successful Drama Night presentation.

Communion breakfast was served Sunday at the Recreation Centre for the K of C and their wives. This delicious meal was prepared by "Chef" Rod St. Martin and staff.

Mr. and Mrs. Albert de Champlain have purchased Mr and Mrs. Roger Caouette's residence.

Miss Bernadette Boisvert was a guest at the home of Miss Madeleine Larose for the weekend.

Some 40 students from Legal participated in the French Rally-Chorales last Sunday in St. Joseph School auditorium along with other students from Vimy, Beaumont, Picardville, St. Albert, Edmonton and Morinville.

This group of students will also have the opportunity of participating at the "Centennial Festivities" on April 16 at the Jubilee Auditorium where they will meet with various groups of Alberta and Canada.

sentation. It was staged by the Drama 10 class with some support for the "variety" section from other students.

The opening number was a duet by Pat Berard and Giselle Leblanc. This was followed by a delightful piano solo by Nicole Cyr.

A tense, gripping drama, "The Storm", portrayed the emotional strain of a man plagued by guilt-conscience which was the result of an automobile accident. The principal characters were played by Henri Charois and Simone Demers.

The second half of the show opened with a beautiful solo by Louise Regimbald. A most unusual piano duet by Suzie Gauvin and her pet dog Peanut was enthusiastically received. The Legal High School favorites Dolores and Rogelle Auger sang two popular numbers.

The feature attraction was an hour-long Canadian play, "The Courting of Marie-Jen-vrin" in which the leading female was played by Vivian Montpetit, and the leading male was played by Lucien Prefontaine.

In this scene the tempestuous Marie displays her unruly temper as well as her magnetic French-Canadian charm. How she first angers her suitor (Lucien) but finally captures his tender side was a pleasant experience to all...even though the ending is never in doubt.

Supporting actors in both plays included Lloyd McKeith Emily Prefontaine, Carmen Prefontaine, Brigitte Paguin Pat Berard, Adele Krauskopf and Dolores Auger.

At curtain call the very capable master of ceremonies Emily Prefontaine introduced the assistant directors, Judy Montpetit and Suzie Gauvin who made the Drama Night Award presentations.

The Best Actress award was received by Vivian Montpetit for her part as "Marie". The Best Actor award was received by Henry Charois for his part as "Jeff". The top vocal award went to Dolores and Rogelle Auger. The showmanship award went to the master of ceremonies Emily Prefontaine.

It is hoped that this type of program be continued in future years.

Pictured are the Legal hockey coaches who brought the various teams through a busy and successful hockey season: Front row from left, Claude Maurier, Norman Cyr and Pierre Brisson. Back row: Leonard Forcade, Roger St. Martin, Kevin Cleason and Walter Van de Walle. Unfortunately a few of the coaches were absent.

## Hockey supper ends season

Another hockey season is over. Although the games started late, the advantage of having our new arena made up for it.

With the enthusiasm of the Knights of Columbus Youth Committee, teams were organized and different functions held to raise money to help pay for expenses. The sponsors for the various teams were the K of C, Legal Hotel, Legal Co-op and the Ladies of Ste. Anne.

To end a fine season a supper was held at the Rec.

## Legal Knights take degree

On April 1st, five local Knights of Columbus were initiated into the 4th degree in Calgary. This exemplification was held at the Calgary Inn and candidates returned home the following day. Our local candidates were Rev. Father Ricard, Mr. Victor Douzlech, Leo Maurier, Leo de Champlain and Romeo Boissonneault "Grand Knight." One of our local "Sir Knights" Mr. Leon St. Martin accompanied the candidates and their wives. Legal now boasts an honour guard of 4th degree Knights of Columbus.

## Namao news

by Audrey Gibson.  
Welcome home wishes are extended to Mr. and Mrs. Jack McLay, Mr. and Mrs. Herb Craig and Mr. and Mrs. John Crozier who have returned home from winter trips.

The district wishes to extend its congratulations to Mr. and Mrs. Murray Carson upon the birth of their first son on April 2.

On April 6th an F.U.A. meeting was held at the home of Mr. and Mrs. Gunner Okerman.

The Namao Bantams were defeated by a score of 4-3 by the Dow Chemical Bantams in the first game of a tournament at Fort Saskatchewan.

The district wishes to extend get well wishes to Mrs. Miller who is in the hospital.
